Mereditary Baldness.

Hereditary Baldness. George Mayer, Flatonia, Texas, was bald at 23 years of age, as his ancestors had been for several generations. One bottle of Hair Vigor started a growth of soft, downy hair all over his scalp, which soon became thick, long, and vigorous.

Ayen's Ham Vigon restored it to its natural color, and made it softer, glossier, and more abundant than it had been before. Which cause dryness, brittleness, and falling of the hair, dandruff, teching, and annoying sores, are all quickly cured by Aver's Hair Vigor. It cured Herrer Poyd.
